Discuss with us your thoughts and concerns, we are here to match the commercial objectives of your market, application and positioning.

# DESIGN YOUR CORE

Branding your product from the finest details, let's start with the paper core; the key to impress.

- 1) Logo + Alpha-Numeric (1C)
- 2) Logo + Alpha-Numeric (2C)
- 3) Logo + Alpha-Numeric (3C)

Choosing the type of packaging to improve the product appeal and extra protection during the material handling along the distribution process, not forgetting to be eco-friendly.

- 1) Individual Wrap
- 2) Tower Shrink
- 3) Small Tower Shrink
- 4) Tower Shrink w Different Sizes
- 5) Sealing Bag
- 6) Accordion Wrap
- 7) Flat Wrap

WRAP IT UP!

Promote recognition on your products, designing the labels to match your identity and stand out from the rest.

- 1) Barcode Label
- 2) Label Around the Wrap
- 3) Round Label
- 4) Euro Hook Label
- 5) Half Moon Label
- 6) Special Cut Round Label

MAKE AN  
IMPACT!

# PACK + ROLL

Allow your packaging to tell a story, it speaks more than material handling.

Meeting expectations,  
Creating opportunities.

- 1) Brown Carton
- 2) White Carton
- 3) Customized Carton  
(Background + Design)

The background of the advertisement features two rolls of yellow tape, branded 'Krämo', resting on a dark asphalt surface. A yellow-painted line runs diagonally across the frame. The top roll is partially unrolled, showing the white adhesive side with the 'Krämo' logo repeated. The bottom roll is also partially unrolled, revealing the same adhesive side. The overall scene is brightly lit, suggesting a sunny day.
